After a decade of serving in the Army, everyone still expects me to be Dominic 'Nicky' Costigan--the skirt-chasing player. They don't know I've been spending my days trying to figure out my post-military life. Including how to pick up guys.

When I meet Luke on a hookup app, he makes it clear it's for one-night only. That's fine with me, because I'm down to see what this silver fox can do. But after I arrive at his doorstep, it doesn't take long to realize we have serious chemistry, and we end up meeting again.

He's got more walls around his heart than a military base, but I think he's as addicted to me as I am to him. He can't resist me for long. I mean, who can? Except Luke's rules exist for a reason, and when I test his limits, things get complicated. Maybe too complicated.
